

ADMINISTRATIVE CIRCULAR NO. 207
Office of the Executive Director, Secondary Schools

SAN DIEGO UNIFIED SCHOOL DISTRICT

Date: January 16, 2018

To: Area Superintendents, Middle Level and Senior High School Principals

Subject: PROCUREMENT OF FACILITIES, EQUIPMENT, AND SERVICES FOR HIGH SCHOOL GRADUATION AND MIDDLE-LEVEL PROMOTIONAL EXERCISES

Department and/or Persons Concerned: Site Administrators and Planning Committees

Due Date: February 23, 2018

Reference: Administrative Procedure 4770

Action Requested: Provide information and supporting documentation as requested on Attachment 1.

Brief Explanation:

Complete and return Attachment 1 to the Strategic Sourcing and Contracts Office (Attn: Sheryl Hauser) by February 23, 2018 to request facility rentals, chair/stage equipment rentals, sound equipment rentals and sound checks, equipment hauling, and security services needed for graduation and promotional exercises.

Guidelines for Requesting Facility Rental (Attachment 1, Section A):

Schools are required to obtain approval from the appropriate Area Superintendent to hold off-campus graduation/promotion ceremonies. (Complete Attachment 1, Administrative Circular No.1) Notify Sheryl Hauser at 858-522-5851 or shauser2@sandi.net for district contract requirements if the graduation venue is to be offsite. The original, unsigned contract must be submitted to Sheryl Hauser no later than **February 23, 2018**. It is the school's responsibility to contact Transportation Services to make the necessary arrangements for student transportation to and from off-campus locations. Site funds should be used to pay for facility rentals.

Guidelines for Requesting Chairs/Stage/Sound Equipment Rental (Attachment 1, Sections B and C):

Request only a reasonable number of items such as chairs to ensure the most equitable district-wide allocation of limited quantities of equipment. (*Note that due to the limited number of folding chairs available, some schools may not receive the color of chairs requested.*) Contact the vendor with specific needs, and request a written quotation for use in preparing an e-Pro requisition. Attach the quotation to the requisition or email to Sheryl Hauser at shauser2@sandi.net.

If your site needs to provide ADA accommodations for the ceremony, two ramps are usually required due to the flow of traffic on and off the stage in one direction. The stage height, in inches, must be indicated on the e-Pro requisition under “description and line comments.” This will determine the ramp length. For questions regarding ramps, contact the ADA office by February 24, 2017 at 619-725-5658.

Centralized funding will be provided to cover the cost of **equipment rental** (chairs, sound systems, stages, ramps), **up to \$2,000 for each senior high school campus. NOTE: This is for high schools only.** (Note: High schools may choose to use this funding for rental of facilities or to purchase non-capitalized equipment in lieu of equipment rental). Middle schools must use site funds to cover equipment rental costs. Costs in excess of the maximum indicated above or for other types of expenditures are the site’s responsibility and must be paid with site funds.

Guidelines for Requesting Sound Equipment Check (Attachment 1, Section D):

Requests for sound equipment check must be made through PPO at <http://pposervices.sandi.net/>. In emergencies, contact the Work Order desk at 858-627-7250.

Guidelines for Requesting Equipment Hauling (Attachment 1, Section E):

If the services of district truck drivers are needed to haul equipment, it is important that schools adhere to the times indicated for commencement exercises. Requests for equipment hauling must be made through Distribution Services, 858-496-8210.

Guidelines for Requesting Security Services (Attachment 1, Section F): Security services should first be requested from School Police Services. If the services of an outside vendor are required, contact Mark Floyd at 858-522-5815 or mfloyd@sandi.net for a list of district-contracted security service vendors. Site funds must be used to pay for security.
